

We work with some of the most prestigious chemical producers in the world. These connections allow us to provide material from Ecogreen, Pacific Oleo, and other global chemical producers. Please see below the chemicals we offer. If you are looking for a particular chemical not listed here, please contact us and we would be happy to source it for you.

PETROCHEMICALS/OLEOCHEMICALS

GLYCERIN

Grades	USP, Kosher, Kosher for Passover, Halal, Organic, Non-GMO, Industrial, Technical, Crude, RSPO Certified
Purities (%)	99.7, 99.5, 99.00, 88.0, 85.0
Derivatives	Palm, Soy, Corn, Rapeseed, Tallow

SUGAR ALCOHOLS

Sugar Alcohol Types	Sorbitol, Malitol, Xylitol
Forms	Liquid, Spray Dried
Purities (%)	70, 75
Properties	Crystallizing, Non-Crystallizing; Low or High viscosity; Grain size (SprayDried): Large, Extremely Large, Fine, Extremely Fine, Standard

SPECIALTY CHEMICALS

Name	Flexible Collodion, Standard Collodion, Isopropyl Alcohol, Ethyl Alcohol, Methyl Alcohol
Grades	USP, Technical, Industrial

FATTY ACIDS

Acids	Caproic, Caprylic, Capric, Lauric, Myristic, Palmitic, Stearic, Medium Chain Triglycerides, Blends*
Grades	USP, Kosher, Kosher for Passover, Halal, Industrial
Variations	Distilled, Hydrogenated, Partially Hydrogenated, Fractionated, Pressed, Blends*
Purities (%)	99.00, 98.00
Derivatives	Palm, Coconut

GLYCOLS

Glycol	Propylene Glycol, Dipropylene Glycol, Tripropylene Glycol, Ethylene Glycol, Diethylene Glycol, Triethylene Glycol, Hexylene Glycol
Grades	USP, Kosher, Low Odor, Industrial, Technical
Variations	Glycol Ether Solvents, Dialkyl Ethers, Esters; Domestic and Foreign Manufactured
Purities (%)	99.90, 99.80, 99.50, 99.00, 98.00
